

The Lord has been very good to us since we
came here. I have preached every Sab since we
landed, & most of the time from 5 to 8
times per week, besides I have taught school
until 3 months since. We formed a church
here about a year since & we now number
62, who are walking in the fear & love of God
as we trust. We have about 100 in a class
of enquirers, & a Sab school of about 80, & a day
school of 75. - "The Lord is with us, the God of
Jacob is our refuge"

At night I attended a large meeting in
one of the Baptist Chapels in Town where
a Soc was formed for the protection of
civil & religious liberty, auxiliary to
one of a like character in London.
Tho I was both in town & in the country
yet I did not see a drunken, or noisy
person during the day, in fact the day
seemed like the Sabbath & joy seemed to
sit on every countenance. At Spanish
Town a large Soc was formed, & yest-
erday a large meeting was held in the Court
house of Kingston ^{for the same purpose} & that you may have
all the facts before you, I will send
you papers containing the whole proceedings.
What can be the conclusion of Slave Dealers
in America & throughout the world when
they learn that the Proprietors, & Storekeepers,
Merchants, &c. of this former strong hold
of Slavery have actually formed an Soc
for the Abolition of Slavery & the
Slave Trade over the wide world? In this
fact ~~let~~ the world find an answer to
the enquiry - "Is formed the better, &
happier for emancipation" & were there
any ^{more} not satisfied I could tell them of
Estates which are making more sugar
than ever before, I could show them coffee
properties before thrown up now in fine
cultivation. I could show them land now
actually leased out for more per year
than it would have sold for in the
days - the dark days of Slavery, & I could
show to them that there is far more
work done now than ever before
in this Isle & This is not the fact with all

In regard to the present state of this Isle
I can say that it is most pleasing &
prosperous. To prove this to you I cannot do
better perhaps than to tell you of what
has past here within 6 days. Previous to the 1st of
Aug. I appointed a prayer meeting in our
chapel to commence at day light on the morn-
of Aug 1st to thank God for our freedom &
to pray for our brethren in slavery. At an early
hour we were aroused by the song of jubilee
sung by those on their way to the house of
prayer, who a year since were permitted for
the first time to call themselves free.
Our chapel was well filled, & as we
after another prayed for the poor slave
& for the cruel master of America I
almost felt sure that God would
hear & that while we were yet speaking
the fabric of slavery would tremble, & that
the chains of some, at least of our brethren
in bondage would fall. Can you tell
us whether any slaves were emancipated on
that day? It so we had a meeting for
the purpose of forming a "Cold water
Soc." On the 1st of Aug last year
we formed a Temperance Soc. & I called
upon several of those to speak who
united with us at that time & Dear Bro
it would have done you good to have heard
them. Health had been restored. Peace had been
enjoyed. Money had been raised. God had
been served, & souls saved; & nearly all
could tell of some good as the result
of belonging to the Temperance Soc & 16 gave
their names to the Dec. total pledge. We
took a collection of \$1.00. Preaching in the P.M.

On Aug 1st we formed a club Soc in our Church & direct our efforts to the liberation of the slave. We hope soon to send there is now a fine collection of the
